PREFACE:

Special camping forms an integral part of NSS program. It provides an experience of mutual adjustment and adaptation to new changing and challenging situations and generates courage, confidence, comradeship, decision making, democratic attitudes, resourcefulness, objectivity and leadership in the students. So, special camp is organized for seven days. Various social activities were held with a sole view of rural development and value education. We, being a part of the cultural committee, undertook various cultural activities in the village to promote interaction with the villagers and used the NSS platform to spread awareness about different social issue. The NSS unit of Dattakala college of Pharmacy, Swami-Chincholi (Bhigwan) had organized NSS SPECIAL CAMP at Diksal village Tal-Indapur, Dist-Pune which is 13 kms from the college. The camp was held from 24-02-2022 to 02-03-2022. Total 25 students attended the camp. Mentioned below is the list of the volunteers and the activities done in the period of the 7 days camp.

Third Day of the Camp- 26-02-2022

“Door To Door Awareness Program on “Literacy””

Actual our 2nd day NSS camp program is “Door to Door Awareness program on literacy and interaction with the villagers”. In this program a expert senior villagers were invited to interact with NSS special camp volunteers. The 2nd day program started at 9.30 a.m. Mr.Sudarshan Nagrale, NSS Program Officer invited the villagers to explain about their lifestyle. Villagers started interaction session by explaining each and very aspect of their livelihood.

Basically Diksal village people are nature worshippers, hard workers and work worshippers by birth and tradition. Their skillful works are transfers to their children from generation to generations. They also explained about the disasters and mitigation strategies to minimize or rescue operations from disasters. Later they gave wise health tips to lead sound life. Every aspect of life and its developmental aspects/steps are covered in their speech which inspired the students very much and received a great applause. They also explained about the helping people during their difficult life situations. To do voluntary/social work to the society by donating needful goods like cloths, money, land, solar lamps, food, health, incentives, education etc. useful and needful things to the disaster effected people is minimum human responsibility.
